[Back to page 1](#)

Italic sample

This is a wrapped paragraph rendered by the minimal layout layer. It demonstrates left alignment and line breaking inside a fixed width box.

Centered paragraph sample for the same PDF page.

Justified paragraph sample. The first lines are stretched using extra word spacing so both left and right edges align to the same width.

Item	Qty	Price
Notebook with extended hard-cover title	2	\$12.00
Pen Set	1	\$8.50

CONFIDENTIAL

Flow layout page

Section heading that stays with next block

This paragraph is added using the document flow helper. It provides margin-based placement and automatic page transitions when space runs low.
